TO THE TRADE AND OUR PATRONS:—

Recognizing the trend toward the demand for smaller size plants and consequently a lower price per unit, you will find included in our listings of conifers and evergreens, smaller sizes than heretofore. These items are attractively priced and especially so if you buy from our mixed evergreen listing. We have also listed a smaller size of Azaleas and Hydrangeas.

We are now able to supply Taxus in larger quantities and in additional varieties and sizes.

Red Rhododendrons are in good supply now, as are all other varieties of Rhododendron. However, due to an exceptionally heavy demand during the past season, our stock of Azaleas is limited in some varieties.

We cordially invite you to visit us at your convenience.
